

# WHAT'S HAPPENING?

## Harvest Returns to Angola Today | 12 PM

For years, Harvest has partnered with our brothers and sisters in Angola to help the African country re-build after a 27-year civil war and to share Christ's love with its people. Harvest has sent four mission teams to Angola in the past eight years, and a Harvest team will return there, October 20 - November 2. Is God calling you to be part of this ministry, maybe even as a trip participant?

We invite you to a gathering today at 12 PM in W 204 and 205 to hear an update from our Angola ministry leaders on what's happening there now and to hear about the trip planned for October. A \$10 boxed lunch will be served. You'll be invited to pray if God is calling you to participate.

## Welcome Sid Price as our Youth Ministry Intern

We are excited to welcome Sid Price as our summer youth ministry intern. Sid recently finished his freshman year at Mercer University, and will be working closely with Youth Minister, Brad Baten, to help organize events and curriculum as well as engage in relational ministry with students. We know that Sid's pre-existing relationships with many of Harvest's youth, his mature faith, and his strong leadership skills will lead to effective ministry as he explores God's call on his own life. It is going to be a great summer!

## CURRENT MESSAGE SERIES

## HEROES OF THE FAITH

All of us have our favorite biblical characters whose stories inspire us again and again as our life experiences provide us fresh perspectives on their words and deeds. On four Sundays, from June 12 through July 3, four of our preaching pastors will share with us new reflections on some of their personal heroes of the faith. Join us for these special messages spoken from the heart.
